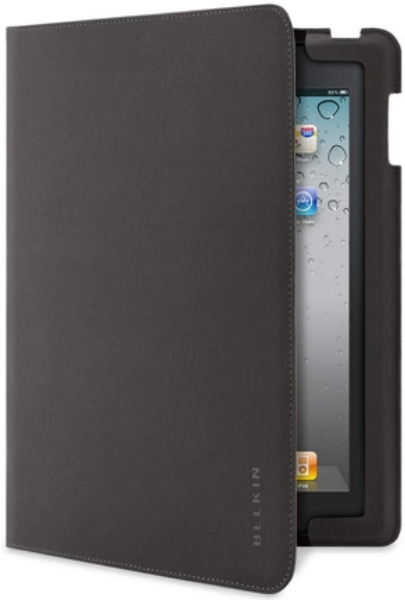
Smooth Folio for iPad 2

iPad 2 Protection That’s Streamlined, Simple and Secure

Part # P-F8N619



iPad 2 Protection That’s Streamlined, Simple and Secure

Classic Coverage
Keep things simple with a classic folio that’s soft to the touch. The minimal design protects your iPad 2 from scratches and scuffs, and the cover folds over to guard your screen.

A Perfect Fit
The case hugs your iPad and protects it from scratches and scuffs, with a lightly brushed exterior and an inner lining that’s soft and smooth against your device. Lightweight and form-fitting, it slips easily into another bag without bulk.

Features

- Smooth material finish
- Durable construction protects from scratched and scuffs
- Folding cover for screen protection
- Soft inner lining
- Sleek design to minimize bulk
- Camera lens cutout
